#### Report on student research paper presentation on “Nanomaterial and their Applications”

**Date:** 17/12/2021

**Objective:** To enhance student’s research knowledge and presentation skills.

**Faculty in-charge:** Dr. Mylarappa, Head, Department of Chemistry.

The Department of Chemistry organized a Student research paper presentation on “Nanomaterials and their application” for BSc students on 17.12.2021. 30 students participated in the program. The Mr. Chandruvasan S., Ms. Rekha S. and Ms. Gaganashree V.T. Presented their papers on the research work they carried out in the college. It was effective and informative.

**Student Exchange Program**

The students of SJRC college had been to MLA college for research activities and MLA college students visited SJRC for research activities.

The following students from SJRC college participated in the exchange program

1. Mr. Chandruvasan
2. Ms. Rekha
3. Ms. Suchithra.
4. Ms. Bharath
5. Ms. Dakshayani
6. Ms. Meghana

The following students from MLA college visited our college

1. Ms. Bhumika.N.R
2. Ms. Nisarga
3. Ms. Varshitha
4. Ms. Chaithra.

**Report on Students Research paper presentation on “BANGALORE IN TIME AND SPACE”**

**Date:** 24/08/2022

**Objective:** To enhance student’s research knowledge and presentation skills.

**Faculty in-charge:** Dr. Meenakshi M. G. Head, Department of History

Final Year BA students have a paper in their Sixth Semester namely Bangalore in time and space. Therefore, the students presented papers on different topics related to Bangalore. To mention few, Bangalore History, Development of Industries and Communications in Bangalore, Contributions of Commissioners to Bangalore, Contributions of Dewans to Bangalore etc.,

Outcome of the presentation was, students learnt to present the paper, which is part of curriculum and learnt the art of presentation.

## DEPARTMENT OF COMMERCE

### Report on Leading is our Duty- gear up to start up

**Date:** 27/05/2022

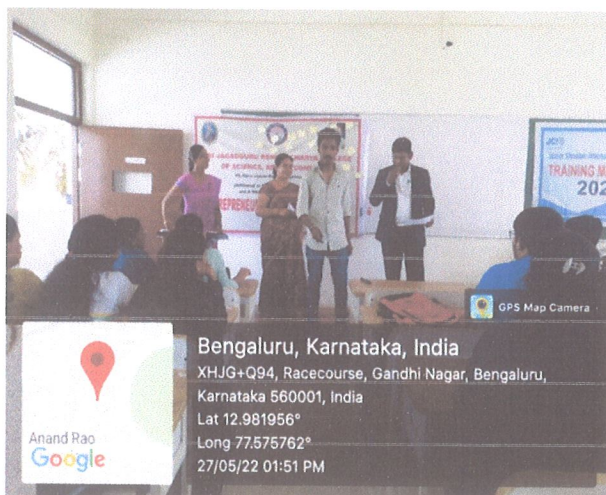

**Resource Person:** JC. T. Sai Ramana (Junior Chamber International Hosur Google)

**No. of participants:** 50 students

**Objective:** To make our students to focus on leadership skills and startups

The Department of Commerce is always looking ahead for providing various opportunities to students and for their progress, academically, professionally as well as individually. In this regard activities are taken up by the department for the better applications in the future. The resource person gave complete details of the workshop topic. He took over the session by giving various insights regarding entrepreneurship as a career which will be helpful for the students.

**Outcome:** Students were so enthusiastic to participate in the activities of the workshop and also were able to express their views. The students were able to understand their potential and were able to inculcate in their future activities.

Associate Professor,

Head of the Department

M.S.Ramaiah College of Arts Science and Commerce

Bengaluru, INDIA.

Subject: Letter of Appreciation

Dear Prasanna Kumar S G

The Department of Chemistry at SJR College of Science, Arts and Commerce, Bengaluru-09 would like to thank you for being part of "Faculty Exchange Program" on 11<sup>th</sup> MAY 2022. Your talk on "Optical properties of nanomaterials using UV-Visible spectroscopy" for B.Sc IV sem students was thought provoking and informative. The students are enriched by your talk and we received good feedback. We appreciate you for spending your valuable time with us inspite of your busy schedule. We look forward to see your participation in our future events also.

Thank you and Best regards,

Dr. Mylarappa M
