## **THE WOMEN EMPOWERMENT CELL AND THE HUMAN RIGHT CELL**

### **WOMEN'S DAY AND THE HUMAN RIGHT CELEBRATION**

The international women's day is celebrated all over the world on 8<sup>th</sup> of March every year. Our college religiously celebrate the day by inviting the resource persons from different fields to address our students on women related issues.

This year, women's day and Human rights day were celebrated together on 8<sup>th</sup> March 2018.

This year, it was celebrated by felicitating former girls students, who are achievers. They were Dr. Manjula T.L., a surgeon, Dr. Parvathi, a Principal, Ms. Shobha, a Sub-inspector. Dr. Manjula T.L addressed the students about general women health issues such as need of nutrition, maintenance of hygiene. Ms. Shobha in her speech stressed on the need for the girls to get empowered to protect themselves in the present scenario. Dr. Parvathi emphasized on the importance of education for girls.

Prof. Shilpa, a visiting faculty of University Law College who had worked on criminal law and a serious researcher on women rights, addressed the students on 'Women issues and legal rights' and explained in detail what is harassment, abuse and when can a person approach police. The extent of legal help available for an individual when one is exploited. The talk was highly informative and boosted the confidence of our students. The students listened to her in rapt attention. The interactive session which followed the session helped the students to clarify the doubts that cropped up in their mind.

The Programme was followed by a skit on Devadasi System by NCC Cadets, a dance by NSS volunteers, a dance by BA Students and a mime on female feticide by B.Com. students.
