WOMEN EMPOWERMENT CELL AND HUMAN RIGHT CELL

A REPORT ON INTERNATIONAL WOMEN'S DAY CELEBRATION AND HUMAN RIGHT'S DAY.

The Women Empowerment Cell was established in the year 2007 and Human Right Cell in the year 2009. Since then it is an annual event to celebrate International Women's day and Human Right Day on March 8th. Experts from relevant fields are invited to speak on issues related to women, women empowerment and human rights.

International Women's day and Human Right Day were celebrated on 08-03-2019. Dr. Srimathi S P, a gender expert and consultant, and Prof. Jyothi M N, Principal incharge, SJR College of Law, Bangalore, were invited as chief guests. Smt. and Sri Dr. Vedehamurthy, Academic Director, SJR College, Bangalore, were the guests of honors on the occasion. Sri Nataraj, Vice president, SJRES, Bangalore graced the occasion.

Prof. Basavaraj.M.N., Principal, S.J.R.College of Science, Arts and Commerce, welcomed and introduced the Chief guests. He also spoke on the theme of present International Women's day – 'Balance for better- Better the balance, better the world'. Prof. Basavaraj.M.N. focused on gender equality in his talk. To represent this symbolically, the girl student and boy student of college were made to stand alternating to each other with their arms stretched out.

Dr. Srimathi S P, the chief guest of the function spoke on issues on gender discrimination, women issues and women empowerment. Her talk was very inspiring and motivating.

Prof. Jyothi M. N. spoke on 'Women and law' which was very educative. Both the talks gained audience appreciation.

Dr. Vedhamurthy spoke on achievements of women in various fields of life. He also highlighted the importance of a girl child in a family and society.

Sri. Nataraj spoke on the various sectors of life where women have made their achievements and proved their ability. He spoke on the role of women in a family and society. He also spoke on issues related to women reservation policy.

The faculty and students actively participated in the event and contributed to its success.

Prof. Gunavathi V
Convener,
Women Empowerment Cell and
