Time: 11.00am

Participants: 25

Objective: Vision to provide the job opportunity is to rehabilitate the convicts.

Our 21 NSS volunteers along with NSS programming officer visited central jail on 14th September 2018. After entering inside the prison our team firstly visited to the cooking section in which a group of victims were cooking the food to serve other victims and the food section was in separate block. Later our NSS volunteers visited the industrial section where the convicted persons have an option of job opportunities like Carpenter, Bakery work, garments etc. which helps the convicted persons to reduce their victim period.

There was a strict order from officer not to communicate with the any victims. The convicted prisoners were working in that whole section, the person named Ashok was working as an inspector in that section. Mr. Ashok provided us with more details about the procedure and work-process of the prisoners and also he gave information about the importance and need of social workers in prison. Later our NSS Unit team clarified their doubts about the system, procedures etc., of prison with the officer. The officers provided half an hour permission to visit the female victims. Inside female prison block, there was a school, clinic, library and higher education opportunities who are interested for further studies.
