INTRODUCTION

The NEP-2020 offers an opportunity to effect a paradigm shift from a teacher-centric to a student-centric higher education system in India. It is based on Outcome Based Education, where the Graduate Attributes are first kept in mind to reverse-design the Programs, Courses and Supplementary activities to attain the graduate attributes and learning outcomes. The learning outcomes-based curriculum framework for a degree in B.A. (Honor's) History is intended to provide a comprehensive foundation to the subject and to help students develop the ability to successfully continue with further studies and research in the subject while they are equipped with required skills at various stages. The framework is designed to equip students with valuable cognitive abilities and skills so that they are successful in meeting diverse needs of professional careers in a developing and knowledge-based society. The curriculum framework takes into account the need to maintain globally competitive standards of achievement in terms of the knowledge and skills in History.

The ever expanding boundaries of History necessitates the understanding of the various aspects of human life. The challenges of Globalization make it imperative for the History discipline to go beyond the regional, national and even international frontiers of knowledge. The curriculum aims to equip the students to understand historical processes properly and situate the significance of historical changes that

take place within a society or culture, examine the patterns of such transitions and also assess the patterns of continuity. It would be an endeavor in promoting critical thinking, research and analysis. The course provides an understanding of historical concepts, perspectives and methodology.

Students pursuing B.A. History will be encouraged to be a part of interactive sessions, discussions and debates. The curriculum would make the young minds more receptive, as well as inquisitive with a scientific bent of mind. Critical thinking, analytical interpretation and drawing conclusions from data will be the focus of the learning outcomes.

Graduate attributes in History

On completion of the course, students are expected to have acquired the skills of Critical thinking, rational enquiry, and exploring the relationship between the past and the present. The attributes expected from Graduates the B.A. History course are:

Knowledge of our History and Heritage; Familiarity with the process of development in other parts of the world; Identify patterns of change and continuity with regards to issues of contemporary Significance; Develop a respect for our Heritage and culture and understand the strength of Diversity of our country; Digital and ICT efficiency; Ethical awareness/ reasoning: Social Justice; National and international perspective; Lifelong learning.

Objectives of UG Program in History

The aims and objectives of UG programs in social sciences in general and History in particular is structured to: - Create the facilities and environment in all the educational institutions to consolidate the knowledge acquired at +2 level and to motivate and inspire the students to create deep interest in History; Develop broad and balanced knowledge and understanding of continuity and change: Develop the ability to apply the knowledge acquired in the classroom; Broaden the vista of young minds for better understanding of the world order.

Progressive Certificate, Diploma, Bachelor Degree or Bachelor Degree with Honours Provided at the End of Each Year of Exit of the Four-year Undergraduate Programme.
