The grievance Cell is constituted to deal with the grievances of students. The cell is established to keep a healthy relationship among the students, staff, parents and management. The committee meets once a month for the purpose of Redressal of grievance of the students.

Every academic year, in the beginning of the academic year, the college conducts orientation program to fresher's. Accordingly, the following methods are adopted to make students feel free to come up with their grievances and suggestions.

- Complaint box placed in the college office and in grievance cell so that it is accessible to students, staff and parents.
 - The committee will register all the grievances in a book and the problems will be discussed and resolved immediately by the principal and the committee. If needed a meeting with the complainant will be arranged to discuss and redress the problem.
 - There is a provision for students to discuss/write the problem directly with their mentors. In turn, the mentor would bring it to the notice of the grievance cell and the Principal to resolve the problems.
